

Glass and Glass Murano crea oggetti d'illuminazione che migliorano la qualità dell'abitare con il loro valore estetico e funzionale. La lunga esperienza nel settore e la capacità di forgiare e plasmare il vetro in forme per la luce, hanno consentito all'azienda di emergere come significativa e affidabile realtà produttiva, in grado di realizzare creazioni di alto livello e una assortita gamma di articoli. Ai classici modelli della tradizione veneziana, Glass and Glass Murano affianca oggi proposte d'impronta contemporanea, in sintonia con l'evoluzione del mercato e con i gusti di un vasto pubblico.

I Maestri vetrai di Glass and Glass Murano, in sinergia con reparti ricerca, tecnico, officina e assemblaggio, danno vita ad accurate collezioni, verificate tanto nei materiali quanto nelle finiture e testate con severi parametri di funzionalità e sicurezza.

Un avanzato patrimonio costruttivo, dunque, guidato da un innovativo know how aziendale, che si è rilevato particolarmente utile nel settore "contract", nella realizzazione di speciali progetti d'illuminazione che vanno oltre lo standard ed esigono soluzioni mirate e specialistiche.

Con la sua versibilità produttiva, la professionalità delle sue maestranze, la rapidità e puntualità di consegna, Glass and glass Murano ha saputo distinguersi e affermarsi anche in questo prestigioso mercato, fornendo un efficiente servizio di collaborazione a un'ampia clientela e a numerosi professionisti. Una parte significativa dei modelli presentati in questo catalogo sono stati infatti realizzati su proposta di progettisti, architetti e designer.

In molti alberghi, banche, aziende, edifici pubblici, importanti residenze nel mondo, gli originali oggetti e sistemi d'illuminazione portano la firma di Glass and Glass Murano.

Glass and Glass Murano creates beautiful and functional lighting articles to improve the quality of any environment. Their long experience in the sector and their ability to forge and work glass into special shapes for lighting, have made the company a strong and reliable presence in the market, offering finely crafted creations and a wide range of items. Along with classic models from the Venetian tradition, Glass and Glass Murano also produces articles with a decidedly modern touch, in line with the evolution of the market and the taste of a vast public. The master glass-blowers of Glass and glass Murano, working together with the workshop, assembly, research and technology specialists, produce collections of perfect lighting fixtures, integrity-tested as much in the materials used as in the finishes, within strict parameters of functionality and safety.

Glass and glass Murano takes pride in a wealth of manufacturing experience, guided by innovative company know-how which has proven especially useful in the "contract" sector and in the realisation of special ligthing projects far above the industry standard, proposing targeted and highly specialised solutions.

With its impressive manufacturing versatility, the professionalism of its workers and the quickness and punctuality of delivery, Glass and glass Murano has been able to distinguish and establish itself in this most prestigious of markets, supplying an efficient service of collaboration to a wide clientele and to numerous professionals. A significant part of the models presented in this catalogue have in fact been made based on designs forwarded by architects and designers.

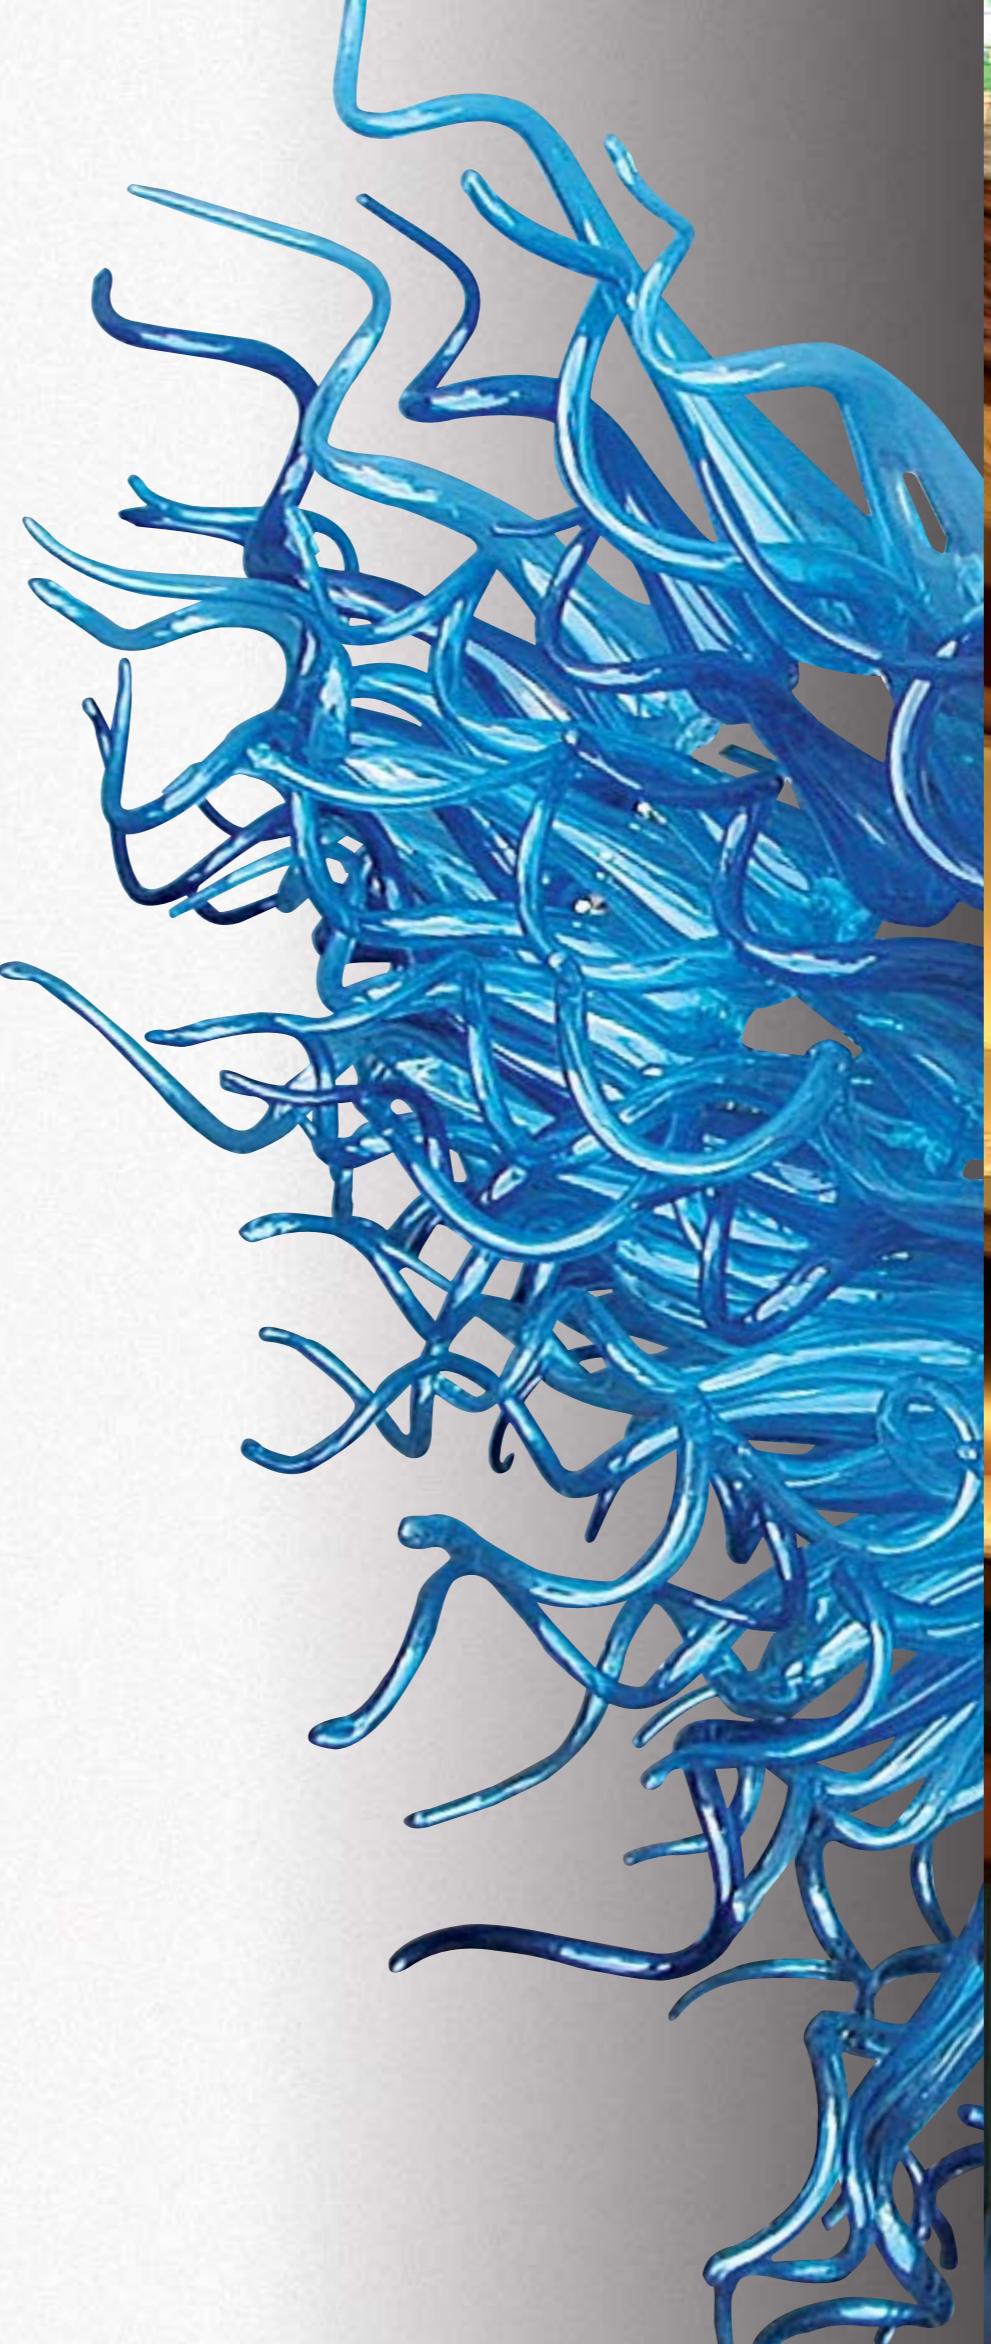

In many hotels, banks, company offices, public buildings and important residences in the world, original fixtures and lighting systems carry the name Glass and glass Murano.
