Lampada a sospensione con diffusore in vetro e dissipatore in alluminio pressofuso. Led di potenza a tensione di rete.

Dew è un sistema di lampade a sospensione in sintonia con le attuali esigenze di libertà compositiva. Ideale per progettisti e architetti, la composizione di sfere di vetro, da moltiplicare in installazioni personalizzate, realizza scenografie luminose d'atmosfera senza dubbio di grande effetto.

Kundalini inserisce a catalogo, al seguito di Dew e Dew3, quattro nuovi prodotti arricchendo l'offerta per i progettisti. Disponibili, su richiesta, composizioni multiple personalizzate.

Lampe a suspension avec diffuseur en verre et dissipateur en aluminium. Led de puissance à haut voltage.

Dew est un système de lampe a suspendre avec une totale liberté de composition. Idéale pour les projets et les architectes, la composition de ces sphères en verre permet de composer des installations personnalisées. On peut réaliser des scénographies lumineuses et recréer des atmosphères sans aucun doute du plus bel effet.

Kundalini insère dans son catalogue, après Dew et Dew 3, quatre nouveaux produits augmentant ainsi l'offre pour les professionnels. Disponible sur demande, d'infinies compositions multiples et personnalisées.

Pendeleuchte mit massiver Glaskugel und einem integrierten Aluminiumelement, Hochvolt-LED.

Dew ist ein Hängeleuchten-System, welches mit dem Bedürfnis der kreativen Freiheit spielt. Ideal für Planer und Architekten. Kundenspezifisch multipliziert inszeniert diese Beleuchtung ohne Zweifel ein Ambiente mit grossem Effekt. Kundalini fügt dem Katalog zusätzlich zu Dew und Dew 3 vier neue Produkte hinzu, welche das Angebot für Architekten mit Vielfach-Hängeleuchten bereichern. Sonderanfertigungen auf Anfrage.

Suspension lamp with glass diffuser and die casted aluminium heat sink. High Voltage Power Led.

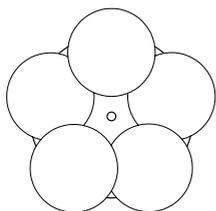

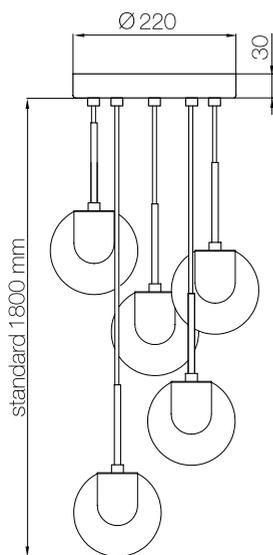

Dew is a system of suspension lamps tuning with the now a day need of compositional freedom. Ideal for interior designers and architects, the glass spheres composition, to be multiplied into custom installations, create luminous ambience impactful scenography.

Kundalini adds to the catalogue, in addition to Dew and Dew3, four new products enriching the offer for the architects. Available on demand multiple pendant chandeliers.

Lámpara de suspensión con difusor de cristal y disipador de calor de aluminio fundido. Led de alto voltaje.

Dew es un sistema de lámparas colgantes en sintonía con las necesidades actuales de libertad de composición. Ideal para los diseñadores y arquitectos, la composición de esferas de vidrio, para multiplicarse en las instalaciones personalizadas, crea escenografías de atmósfera luminosa, sin duda, de gran efecto. Kundalini inserta en el catálogo, después de Dew y Dew3, cuatro productos nuevos para enriquecer la oferta para los diseñadores. Disponible, previa solicitud, composiciones múltiples personalizadas.
