Il Contract Lighting di Maximilian Strass: da oltre trent'anni, un valore che cresce.

La divisione Contract Lighting di Maximilian Strass interpreta le esigenze della moderna hotellerie nel segno dello stile e della personalità, in una serie di linee coordinate, di stile classico (elegante o rustico) e contemporaneo. Nata negli anni Settanta, l'azienda ha conosciuto una crescita costante sul mercato italiano ma anche sugli scenari europei ed extraeuropei (Stati Uniti, Emirati Arabi, America del Sud).
Merito di un forte impegno sul fronte tecnologico, in sinergia con la ricerca di soluzioni dal design innovativo: questo binomio ha condotto a disporre di un know-how invidiabile, che permette di elaborare risposte mirate per qualsiasi precisa esigenza del Contract, anche su misura o su disegno del Cliente.
Con tutta la creatività, la cura artigianale del dettaglio che contraddistingue i migliori prodotti del Made in Italy. Maximilian Strass ha fatto della flessibilità stilistica, della qualità dei materiali, della funzionalità delle scelte progettuali i propri punti di forza. Ed è pronta ad offrirveli, in una concezione di eccellenza dell'illuminazione per il Contract.

Contract Lighting by Maximilian Strass: for more than thirty years. A value that grows.
Contract Lighting Division by Maximilian Strass interprets the needs of modern hoteliers as an indication of class and personality providing a series of coordinated classical (elegant and rustic) and contemporary lines. Established in the 1970's, the company has had a constant growth on the Italian market as well as other European and non-European (United Sates, United Arab Emirates, South America, etc.) markets. Thanks to a strong technological undertaking in synergy with the research of innovative designs, this binomial has given Maximilian Strass the use of an envious know-how that allows to elaborate answers to whatsoever precise Contract requirement even made to measure or to Customer's drawings ensuring all the creativity and artisan care in detail which countersigns the best products of "Made in Italy". Maximilian Strass has made style flexibility, quality of raw materials and functionality of the project choices its point of strength. Maximilian Strass can offer all this to its customers in a concept of excellence for Contract Lighting.
