**MADE IN ITALY**

Emanata da essenziali forme geometriche o soffusa come un tenue velo che si stende da linee sinuose, scintillante tra i riflessi cristallini o filtrata da vetri preziosi e cangianti, la luce riempie discreta lo spazio dell'immateriale personalità che caratterizza ogni contesto d'arredo. Alto contenuto decorativo e sapiente accostamento di colori e materiali tradizionali, interpretati con l'azzardo di un design moderno e raffinato, sono solo alcuni elementi del delicato mix di creatività e tecnologia, da cui nascono veri e propri capolavori di estetica, che sono il respiro di un'atmosfera di stile.

Inspired from essential geometrical shaped, or suffused like a gentle veil that extends from sinuos lines, sparkling between the crystalline reflexes, or filtered from precious and changing glasses, light subtly fills the space with the character that reflects every furniture context. Rich decorations, wise colours matches & traditional materials, interpreted with the hazard of a modern and refined design, are only some elements of the delicate mix of creativity and technology, that marks out real design masterpieces and stylish atmosphere.
