

LIGHTING JEWELLERY

CORDON

The lighting offered by Cordon allows us to add the concept of jewellery to our homes and projects. Provided exclusivity and unique design make them singular.

CORDON
∞

*Alabaster, natural and ancestral.
Worked with Cordon delicacy.
Perfection, selection of the best stones.*

*Murano glass, Strass,
bronze, alabaster, gold,
natural silk, pearls - the
nobility of any Cordon
item exceeds all
expectations.*

Each Cordon chandelier has more than 150 points of handmade soldering, more than 80 pieces threaded by Cordon experts, making each item the most exclusive. Pieces made of perfect cast bronze as it was used to do in the past.

*Xímo Roca offers his designs with
Cordon Art Gallery. Exquisite pieces
that combine technological materials
with gold and jewellery.*

When interior designers want to make exclusive space solutions for their projects, they incorporate Cordon master pieces.
