Dedicate to you

If you appreciate craft products,
entirely made by hand respecting ancient techniques,
each of them differing from all the others
and with some imperfections
to testimony their handcraft nature….
Our products are dedicated to you.

Siru venezia

Made in Italy

Dedicato a voi

Se comprendete il fascino delle cose artigianali,
fatte interamente a mano con tecniche antiche,
una diversa dall'altra e con qualche imperfezione
a testimonianza dell'artigianalità con cui sono costruite...
I nostri prodotti sono dedicati a voi.

STAINLESS STEEL MAKES THE DIFFERENCE...

For all his new creations, Siru uses innovative and advanced techniques and nobles materials as stainless steel AISI 304 that both keeps untouched the final aesthetic decorative aspect of the lamps and also can be used in wet conditions with no consequences as for example the naval furnishing environment. The high standards quality and the characteristic to keep unchanged over the years, is what also makes Siru lanterns a unique product.

... AND WE MAKE IT HAPPEN

Siru always observes with care the changing market needs, and sometimes a standard article does not satisfy all client requirements: we are able to produce structures and lanterns based on your sketches, or also develop your ideas and supply a qualified technical support to achieve your small of big dreams.

L'ACCIAIO FA LA DIFFERENZA...

PER TUTTE LE CREAZIONI SIRU VENGONO UTILIZZATE TECNOLOGIE INNOVATIVE E ALL'AVANGUARDIA , CON L'UTILIZZO DI MATERIALI NOBILI TRA I QUALI L'ACCIAIO AISI 304 CHE, PUR MANTENENDO INALTERATO L'ASPETTO ESTETICO DECORATIVO FINALE DELLE LAMPADE, NE PERMETTE L'UTILIZZO, OLTRE CHE NELLA DECORAZIONE DI INTERNI, ANCHE IN AMBIENTI UMIDI COME AD ESEMPIO L'ARREDAMENTO NAVALE. LA QUALITÀ NETTAMENTE SUPERIORE E LA CARATTERISTICA DI MANTENERSI INALTERATI NEL TEMPO, FANNO DELLE LANTERNE SIRU UN PRODOTTO UNICO NEL SUO GENERE.

... E NOI COMPLETIAMO L'OPERA

SEMPRE ATTENTI ALLE ESIGENZE DEI MERCATI, DOVE L'ARTICOLO STANDARD È A VOLTE TROPPO LIMITATO E NON SODDISFA LE ASPETTATIVE DEL CLIENTE, SIAMO IN GRADO DI PRODURRE STRUTTURE E LANTERNE SU VOSTRO DISEGNO, DI SVILUPPARE LE VOSTRE IDEE E DI FORNIRVI UN QUALIFICATO SUPPORTO TECNICO PER LA REALIZZAZIONE DEI VOSTRI PROGETTI PICCOLI O GRANDI ESSI SIANO.
