

ZONCA

LIGHT FOR CONTRACT

Zonca is installed in Via Lomellina, 145 27058 Voghera (Pv) - Italy
The company is localized in mq. 13000 c.a. total area mq. 25000 c.a.

Over a century of dedication, commitment and passion for lighting:
a story created from the strong will of its founder, Maffeo Zonca,
which unfolds across four generations until achieving, today,
the consolidated reality of an enterprise that operates worldwide.

Cornerstones behind these products
acknowledged worldwide for the excellent and superior quality offered.

ZONCA LIGHTING...A FAMILY PASSION

**HOSPITALITY CONTRACTS, ELEGANCE AND
PERFECTION MADE TO MEASURE**

Zonca offers a complete range of lighting solutions for the hospitality industry.
From Seoul to Singapore, from Jakarta to Kuala Lumpur,
from Dubai to Hong Kong in some of the most important cities across the USA,
Zonca creations light luxury hotels with elegance.
A success due to the ability of offering personalised and bespoke solutions,
the result of a collaboration between the company and designers working alongside
the Customers' architects and interior designers.
Added value and strength is the after-sales service provided.
Wherever, across the globe,
Zonca can offer customers specialised and expert technical assistance on site.
This is why these products satisfy in full
technical and design specifications as well as demanding customer expectations.

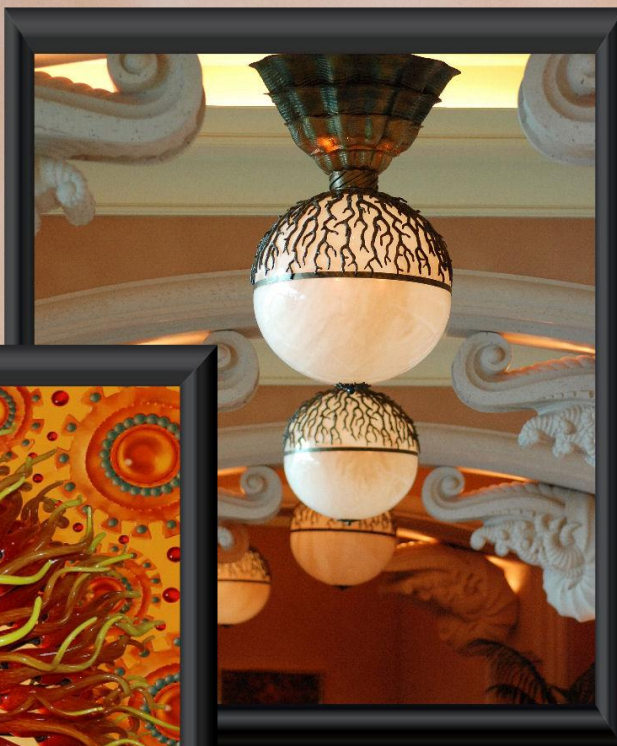

AN EXCLUSIVE STYLE, CHARACTERISTIC AND DISTINCT

The company not only has a team of in-house designers, but also works
with some of the most important and acknowledged designers on the
contemporary scene to offer new solutions.
This is how lighting fixtures and chandeliers are
developed with an exclusive design,
creations with their own appeal enhancing elegant interiors.
The Zonca philosophy is based on the use of prime materials combined with elegance,
giving life to a product illuminated by creativity.
