### EUPHORIA

Playful re-interpretation of the classic low voltage lamp, Euphoria entrusts the support for its 16 light points and for the crystal inserts bevelled and worked by hand, to slim, light metallic curves which make up the precious and scintillating diffuser.

The metallic chromed curves of the frame transfer the harmonious signs of the light into space, which it diffuses into the environment in a homogenous way.

The linear and nearly imperceptible support cables bring the project, signed by Archirivolto, to a contemporary design which is able to mix the quality of traditional glass work with materials and techniques used by the modern production industry.

The quality and the expressive liveliness of the Aureliano Toso products also characterize Euphoria, the latest project produced by the fascinating meeting of light and matter.

**Type:** suspension lamp

**Design:** Archirivolto

**Diffuser:** Handmade ground glazing glass

**Construction:** Chromed metal

**Size:** diameter 72 cm (28.3/8"); h 57 cm (22.1/2"); h max 118 cm (46.1/2")

**Light:** 16 x max 40W G9 halopin

**Info:** Aureliano Toso
