

Dear Partners,

We are pleased to introduce you **Alt LuciAlternative** news 2008, interesting and original new lamps of design, in line with **Alt's** philosophy.

BingoIngo, a lamp with an ironic and provoking brilliant design; supplied with a 12V E27 bulb, you can switch it on/off and dimmer it by touching the wire

Bulb, lovely interpretation of the light source, turns into a small yet daring interior object. The material is Plexiglas, transparent or orange, which shines throughout the profile when the G9 bulb in the base is lit

Coupole, a big suspension with a particular and unique aesthetic and luminous effect

Crisalide : small yet sophisticated, coming from Luxit design collection. The beauty of this suspension lays in the transparent lucid effect and uniform diffusion of the light, through the body

Flan : trendy suspension with diameter 50 cm, it consists of 2 sets of parts which can have different colours: mat white, fuchsia, fluorescent yellow or dark brown, to give way to different combinations.
