CHARME

Exclusive collection of wall brackets and suspensions, Charme is realized in extra clear glass, curved on the short axis for the suspended version, on the long one for the wall bracket. On the glass, a precious stamp of real platinum or gold (about 7 grams of precious material for every stamp) is applied.

A line of crystals further adorn the fitting

This Gallery vetri d'arte new collection is a masterpiece, a luxury object which can be successfully collocated in traditional as well as modern exclusive sets.
